CALEDONIA GOLDIE

By Timberlee's Consort

25th Grand Champion, 1965 All-American Show and Sale, now in the F.W. Smalstig herd. A full sister sells as Lot 32.

For over half a century, the Polled Shorthorn Breeders of the Shenandoah Valley have been offering their cattle in the Spring Sale.

The fact that many of the best herds of the land have cattle from these sales, indicates the confidence of the most discriminating buyers.

Again this year, the offering will provide an opportunity to buy some of the best breeding that is known in the business. In this sale, you can find top show cattle, but for the most part, sound breeding cattle in moderate flesh, with many good producing cows included. Some of these have calves at foot.

THE CALEDONIA HERD

After twenty years of careful selection and culling, the Caledonia herd has reached a high peak of production efficiency and quality only to be confronted with several circumstances making it imperative that a drastic curtailment of our breeding program be made. Therefore, the most practical way would be to disperse the main breeding herd as well as the young herd of Timberlee's Consort 25th's daughters being assembled.

This was a hard decision to make, but the pain of such action is in a measure alleviated by the fact that we will keep as a nucleus of a future herd the daughters of our senior sire, Home Again Serenade — a double grandson of Calrossie Welcome — out of the cows in the herd dispersing. These Serenade daughters will be mated to our superb breeding junior sire, Timberlee's Consort 25th, a cross, the merits of which we have already proven.

The cow herd selling are, with few exceptions, Edelyn Royal Leader 2d breeding. To these have been added other outstanding females, such as a daughter of Kinellar Napoleon out of a daughter of Calrossie Sportsman - Lot 48 - a granddaughter of Lawton Benefactor and Greenwood Souvenir - Lot 61. Many complimentary facts could be written about each member of the herd, but footnotes will be eliminated except for some facts to serve as identification. All will sell with calves at foot or safe in calf to the Caledonia herd bulls.

The young herd of Consort 25th's daughters is made up of three bred and thirteen open heifers. It is hard to imagine a like number by one sire being of such quality and even type. They are the end product of a program planned to supply "Tomorrow's Cattle". Included will be a granddaughter of Louada Nuggett, whose full sister was Grand Champion of the All-American Show. Her quality equals that of her famous sister, but it would be well nigh impossible to pick her out of the heifers in the same age group.

A breeder or prospective breeder could purchase a number of these grand heifers, buy the best polled bull obtainable and be in production of the breed's best.

Show herds could be selected or supplemented from this offering.

The senior herd sire and the rugged Consort bulls will be described individually.

The herd is federally accredited for Bangs and TB and all females have been calfhood vaccinated for Bangs.

A UNIQUE FEATURE

Because our planned Caledonia show herd was even more promising than ever, we are quite anxious that the public be given a chance to view them. There are quite a few of the get of Timberlee's Consort 25th in the sale that will make ideal show animals, which if the purchaser wishes to show, we will agree to be shown under joint ownership, so that groups will be eligible to compete and furthermore, we are prepared to supplement such purchases from the younger cattle at the farm.

HOME AGAIN SERENADE - This polled grandson of Calrossie Prefect and Louada Gambler has done a wonderful job for Caledonia mated to our Edellyn Royal Leader 2nd bred cows. Used young and intensely he had not been an attractive bull, but if we may employ an old adage "Pretty is as pretty does", he looks beautiful. We reserve the right to use frozen semen now in storage.
